

Chair of Integral Architecture – STUDIO SPAZIO

One student assistant

9 hours/week, the position is expected to begin: 01.10.2026

We are looking for a student with an interest in the teaching and research activities of the institute, as well as strong motivation and the ability to work independently.

Your responsibilities:

- Support in the preparation of courses
- Model making
- Graphic design and layout for brochures
- Exhibition setup and organization
- Photographic documentation of events and excursions
- Support in research projects
- Support in teaching

Your profile:

- Ongoing studies in architecture
- Confident use of graphic and layout software (InDesign, Photoshop, Illustrator etc.)
- Very good knowledge of common representation techniques for creating and editing CAD drawings (2D and 3D)
- Experience with photorealistic architectural visualizations
- Experience with model making
- Strong organizational and communication skills
- Careful and precise working methods
- Ability and willingness to work in a team
- Interest in long-term collaboration

We offer: varied tasks, a communicative team and flexible working hours.

The minimum monthly salary for this position according to the collective agreement is EUR 620.82 gross for 9 hours/week.

Graz University of Technology aims to increase the proportion of women, in particular in management and academic staff, and therefore qualified female applicants are explicitly encouraged to apply. Preference will be given to women if applicants are equally qualified. Graz University of Technology actively promotes diversity and equal opportunities. Applicants are not to be discriminated against in personnel selection procedures on the grounds of gender, ethnicity, religion or ideology, age, sexual orientation (Anti-discrimination). People with disabilities and who have the relevant qualifications are expressly invited to apply.

We look forward to receiving your complete application (CV, portfolio) by **Sun., 9 August 2026**, at joana.grahovac@tugraz.at.
